

City of Myrtle Beach
SOUTH CAROLINA

To Whom It May Concern:

Terry Carter has worked on our entire HP product line for years in the City of Myrtle Beach at all locations through out the city. During this time, he is still very dependable responsive person who never missed a call.

Mr. Terry is an asset to the City of Myrtle Beach. He is always cheerful and willing to assist with any task. In addition, Terry is motivated and willing to help you resolve issues prior to him arriving on the scene. He always has parts on hand that he needs or very fast access to getting parts to help your business stay abreast.

Mr. Terry has great knowledge in his field of work and we are grateful to have his services. I highly recommend him to any future employer or volunteer organization.

Sincerely,
